<b>Materials</b> What items do you need to successfully																	

<b>conduct this investigation?</b>	
<b>Procedure</b> Write a step by step of what you will do.	
<b>What will your consent form say?</b>	
<b>What will your debrief say?</b>	
<b>What are the roles of the people in your group?</b>	

**Draw what  
your data  
collection  
table will look  
like**

**For classroom teacher to complete.**

**Teacher cypher:**

Students have past ethical committee checks and can now proceed to conduct their experiments as they have outlined above. **Yes/No**

**Teacher signature:**

**For student to complete.**

I understand that I can only conduct my research as outlined in my project brief. If I need to make any changes to my study I will discuss them with my classroom teacher.

I understand deviating from what is outlined in my project brief will result in a **Not Achieved** for this standard

**Student signature:**
